In response to the Notice of Abandonment of the above captioned case which was mailed on December 14, 2004, the Applicant respectfully requests reconsideration and withdrawal of the holding of abandonment.

This application was allowed on April 20, 2004. The Notice of Allowability states "the drawings filed on 5/31/02 are accepted by the Examiner." A copy of the Notice of Allowance is attached hereto as **Exhibit A**. On July 19, 2004, the issue fee was timely paid. Included with the payment of issue fee was a Revocation and Power of Attorney and Change of Mailing Address executed by our client requesting all future PTO communications be sent to Sprinkle IP Law Group. A copy of the payment of issue fee and Revocation and Power of Attorney is attached hereto as **Exhibit B**. Shortly thereafter, the undersigned received the "Notice of Acceptance of Power of Attorney" date mailed August 16, 2004 confirming Sprinkle IP Law Group as new counsel for our client. A copy of the "Notice of Acceptance of Power of Attorney" is attached hereto as **Exhibit C**. On December 17, 2004, Applicant received the Notice of Abandonment dated December 14, 2004 from the U.S. Patent Office stating the application had been abandoned for failure to respond to the Official Letter date mailed August 31, 2004, attached hereto as **Exhibit D**.

On December 17, 2004, Janice Pampell, a paralegal in my office, called the U.S. Patent Office and spoke with Patricia Ball of the Petitions Branch to inquire about the Official Letter dated August 31, 2004 mentioned in the Notice of Abandonment. Such Official Letter was never received by Sprinkle IP Law Group or Applicant. Ms. Pampell was informed by Ms. Ball that the "Official Letter" was a Notice to File Corrected Application Papers. Ms. Ball then confirmed this document was mailed from the U.S. Patent Office on August 31, 2004, but was mistakenly mailed to Gray Cary Ware & Freidenrich ("Gray Cary"), NOT Sprinkle IP Law Group, even though the Patent Office records previously confirmed that Sprinkle IP Law Group was the attorney of record. Thus, due to an error by the U.S. Patent Office, the application went abandoned because we had no notice of the Official Letter.

On December 17, 2004, Ms. Pampell also called Ms. Doan, who is the person Ms. Ball stated sent out the Notice to Correct Application Papers to Gray Cary and left a detailed message requesting a copy of said Notice. On December 20, 2004, Ms. Pampell called Ms. Doan again and was informed by Ms. Doan that a copy had been sent in the mail earlier that day to Sprinkle IP Law Group.

The Applicant respectfully submits that the application was improperly abandoned due to an error by the U.S. Patent Office because the Notice to Correct Application Papers dated August 31, 2004 was not sent to the attorney of record, Sprinkle IP Law Group, but rather, was mistakenly sent to another law firm (Gray Cary) that was no longer attorney of record. Applicant did not know the U.S. Patent Office had mailed such a Notice, especially since the previously mailed Notice of Allowance indicated the drawings had been accepted.

Accordingly, the Applicant respectfully requests that the holding of abandonment be withdrawn. The Applicant further requests that any matters relating to this application which need to be resolved be communicated to the Applicant so that they can be addressed and the application allowed to issue.

Applicant respectfully submits that because the abandonment was due to a mailing error on the part of the U.S. Patent Office, Applicant believes no fee is due for filing this Petition. However, if Applicant is required to pay a fee, the Commissioner is hereby authorized to deduct the appropriate petition fee of \$1,370.00 for a large entity under 37 CFR 1.17(m) from Deposit
